

2017 Member-Guest Event Format, Rules & Schedule of Events

Thursday, June 15th, Friday, June 16th & Saturday, June 17th

FIELD

The tournament is open to the first 48 teams to register for guaranteed entry. Thereafter, participants will be placed on a waiting list if a spot should come available we will add teams to balance flighting, not to exceed 60 teams total.

FORMAT

The format will be a two-man best ball net match play. Participants will play their own ball throughout. The lower of each team member's net scores will count as the team score for that hole.

In the event that a player has an odd 18 hole handicap, the player will receive his final stroke by being allocated a half stroke in their 9 hole match. There will be five scheduled matches for each team within their respective flight.

After the completion of all five matches, each Flight Winner's will compete in a shootout to determine the overall Champion.

TEES

Men ages 60-74 may play White Tees. Men 75+ may play Red Tees. All other players will play Gold Tees.

SCORING OF MATCHES

There will be a total of 10 points awarded for each match. 1 point is awarded for each hole won and ½ a point for a tie on a hole. 1 bonus point will be awarded for the winner of the match. If the match is tied, each team will receive a ½ point bonus.

SPECIAL NOTE

A maximum of 7 points will be awarded for winning any one match. A minimum of 3 points will be awarded for any losing match. This is intended to keep all teams in the flight competition after all five matches.

PLAYING "PAR"

If a team is in a flight with less than six teams, a match with "Par" will be played.

FLIGHTS

The number of flights will be determined by the total number of participants. All flights will contain six teams. Teams will be seeded and placed in their flights in their respective order by taking the combined team 18-hole handicap index of the two players on each team and subtracting half the difference. If ties need to be broken, the "A" player's indexes will be used and the lower of the two will be seeded in the lower flight. Handicaps will be determined by the June 1, 2016 GHIN Handicap update.

FLIGHT WINNERS

The team in each flight with the most points after completion of the 5 matches will be declared that Flight's winner. In case of a tie in any flight, the winner of the tie will be the team with the most points played between the two teams. If a tie still exists a match of scorecards will be done on that match, starting on the #1 handicap hole on that side.

TOURNAMENT RULES

The following handicaps will be accepted for the competition:

- Valid USGA Index.
- 10 signed, attested and dated scorecards, the Pro Shop will determine handicap. Scorecards must be delivered to the golf shop by June 1.
- All other participants will play as scratch.

The Member-Guest Committee has the authority to make adjustments/revisions as they see fit.

All U.S.G.A. rules will apply except as noted in the local rules stated on the daily rules sheet.

1. Standard four-ball rules apply for each match
2. In the event that play is suspended, finish out the hole you have started.
3. In the event a match must be cancelled due to weather or some other unforeseen reason, the competition may be shortened in length.
4. Handicaps will be determined by the June 1st GHIN Update.

Hazards

- Water Hazards – defined by yellow stakes and lines
- Lateral Hazards - defined by red stakes and lines
- Out of Bounds – defined by white stakes and fence lines
- Ground Under Repair – defined by white lines

Appeals

If there is any question on a rule, a player will announce his intention and may play two balls from the point in question and play out the hole using both balls. The Tournament Committee will make a ruling after the match. The Tournament Rules Committee consists of Brent Ratliff.

Scoring

Teams will switch scorecards with their opponents. The result of the match will be turned in to the scoring area immediately following the completion of the round. To ensure that accurate scores are kept and that results are accurate, each team will be asked to submit their official scorecard. We ask

that each team complete their scorecard by filling in the Point Total section with the points won by the team named on that card. The scorecards will also be signed by the scorer and attested by their opponent.

Rain Policy

In the event of rain, players are to continue to play their matches until they are told to discontinue play by a member of the golf staff. If dangerous weather is threatening the participants, the players may, at their discretion, leave the course.

Distance Measuring Devices

Policy for use of distance measuring devices for this event will be consistent with the clubs local ruling such that a player may obtain distance information by using a device that measures distance only. If a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect their play, the player is in breach of rule 14-3, for which the penalty is disqualification, regardless of whether and such additional functions are actually used.
